

Welcome to the backstage magic!

I am a ballerina and artist, so I live at the junction of these two worlds: the world of dance and the world of fine art, each of them being uniquely fascinating and rich.

I strive to show my viewers how magical, but very diverse ballet can be in reality.

Together with talented professionals, who I was lucky to meet on my way, we are creating extraordinary projects combining dance, painting, and music. In the language of art, we are talking to a modern audience about eternal matters: the secrets of creativity, the curse of talent, love, and hate. We present them to you, dear spectators, in the hope of sharing with you new, exciting experiences.

Join us and you will discover a source of
INSPIRATION, MOTION, and FREEDOM for you!
